DETAILED ACTION

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on October 27, 2003 has been entered.

Allowable Subject Matter

Claims 1-17 and 23 are allowed over the prior art of record.

The following is an examiner's statement of reasons for allowance:

Regarding claims 1 and 10, the references of the Prior Art of record fails to teach or suggest the light source having combination of the limitations as set forth in claims 1 and 10, and specifically comprising the phosphor-containing material having a thickness which varies directly in proportion to the intensity of light emitted by the light emitting component at the applied voltage and thus improving the uniformity of color emission.

Claims 2-9 and 11,16 are allowable for the reasons given in claims 1 and 10 because of their dependency status from claims 1 and 10 respectively.

Regarding claims 12 and 23, the references of the Prior Art of record fails to teach or suggest the light source having combination of the limitations as set forth in claims 12 and 23, and specifically comprising the phosphor-containing material formed

Art Unit: 2879

of phosphor and light-curable material, cured by the light emitted by the light emitting component and having a thickness which is greater in regions where the intensity of emitted light is greater and lesser in region where the intensity of emitted light is lower.

Claims 13-15 and 17 are allowable for the reason given in claim 12 because of their dependency status from claim 12.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
